Dear Dr Gilby

Following our recent inspection of Countess of Chester Hospital NHS Foundation Trust, we have enclosed a copy of our report of the findings. This report includes our rating of the care provided and use of resources. Please make this report readily available for people who use the service.

We reviewed your comments relating to any factual inaccuracies in the draft report and have made change(s) in the enclosed report. We have enclosed our response to the factual accuracy comments you submitted in April 2019 and May 2019 with this letter.

The changes made as a result of your comments relating to factual accuracy did not impact on the ratings contained within the final report.

We will publish this report on our website on Friday 17 May 2019. When we have published this report you can see the contents and download a PDF version by clicking on this link.

Once published, you can see this at any time by following these steps:

- Go to the CQC website www.cqc.org.uk.

- Click the appropriate tab for your type of service.
- Type in the name of your trust – if it appears automatically, click on it to jump to your profile page or click the 'search' button.
- Click on your trust your report will be on your profile page.

As a result of the judgement(s) made in our inspection, we have set actions we require the trust to take. These can be found at the back of the report.

Under Regulation 17(3) of the Health and Social Care Act 2008 (Regulated Activities) Regulations 2014, you must send us a written report of the action you are going to take to meet the Health and Social Care Act 2008, associated regulations and any other legislation we have identified you are in breach of. We have enclosed a template that you may wish to use.

If you have already sent us an action plan after this inspection about any of these actions, you do not need to include them in your action plan.

You must return the action plan to us by 15 June 2019.

We would prefer you to send your report to us by email to:

HSCA_Compliance@cqc.org.uk

If you are unable to do so, please post it to the address below.

Please include our reference number (INS2-4678394720) in any letter or email you send with the report.

You should inform us in writing when you have completed the actions in your plan. We will check to make sure that you have completed your actions and will report on our judgements.

Challenging the rating(s)

A rating review involves checking whether or not CQC followed its process for making ratings decisions, as explained in the guidance published on our website. If you think that we have not followed the process you can request a review. You cannot ask for a review of ratings on the basis that you disagree with our judgements.

You must submit your request for review, using the online form, within 15 working days of the publication of your report(s). You must say in what way we have not followed the process, and which ratings you think have been affected.

Please use the following link to access the form:

<http://www.cqc.org.uk/content/requesting-review-one-or-more-cqc-ratings>

Please note that a rating review does not involve a reconsideration of the evidence and ratings awarded, unless we find the process has not been followed.

You can only request a review of ratings once after each inspection. Please note that requests for reviews of ratings can lead to ratings going down as well as up, or they can remain the same.

Post-Inspection Survey

Around 4-12 weeks after you have received your final inspection report CQC will email an invitation to take part in our Post-Inspection Survey. The email will usually be sent to the registered manager or registered person (e.g. nominated individual, partner, responsible individual). This is your opportunity to share your feedback on the inspection experience so we strongly encourage you to respond. We anonymise and amalgamate these survey findings and use them to help us learn and improve what we do. Some of the findings are also used for the CQC's public performance reporting.
