- b) on which anything is written or marked by which the voter can be identified except the unique identifier, or
- c) which is unmarked or rejected because of uncertainty,

shall be rejected and not counted, but the text voting record shall not be rejected by reason only of carrying the words “one”, “two”, “three” and so on, or any other mark instead of a figure if, in the opinion of the returning officer, the word or mark clearly indicates a preference or preferences.

STV44.4 The returning officer is to endorse the word “rejected” on any text voting record which under this rule is not to be counted.

STV44.5 The returning officer is to draw up a statement showing the number of ballot papers rejected by him or her under each of the subparagraphs (a) to (d) of rule STV44.1 and the number of text voting records rejected by him or her under each of the sub-paragraphs (a) to (c) of rule STV44.3.

FPP44. Rejected ballot papers and rejected text voting records

Countess of Chester Hospital NHS Foundation Trust Constitution – Updated August 2025

- FPP44.1 Any ballot paper:
- a) which does not bear the features that have been incorporated into the other ballot papers to prevent them from being reproduced,
 - b) on which votes are given for more candidates than the voter is entitled to vote,
 - c) on which anything is written or marked by which the voter can be identified except the unique identifier, or
 - d) which is unmarked or rejected because of uncertainty,
- shall, subject to rules FPP44.2 and FPP44.3, be rejected and not counted.
- FPP44.2 Where the voter is entitled to vote for more than one candidate, a ballot paper is not to be rejected because of uncertainty in respect of any vote where no uncertainty arises, and that vote is to be counted.
- FPP44.3 A ballot paper on which a vote is marked:
- a) elsewhere than in the proper place,
 - b) otherwise than by means of a clear mark,
 - c) by more than one mark,
- is not to be rejected for such reason (either wholly or in respect of that vote) if an intention that the vote shall be for one or other of the candidates clearly appears, and the way the paper is marked does not itself identify the voter and it is not shown that he or she can be identified by it.
- FPP44.4 The returning officer is to:
- a) endorse the word “rejected” on any ballot paper which under this rule is not to be counted, and
 - b) in the case of a ballot paper on which any vote is counted under rules FPP44.2 and FPP 44.3, endorse the words “rejected in part” on the ballot paper and indicate which vote or votes have been counted.
- FPP44.5 The returning officer is to draw up a statement showing the number of rejected ballot papers under the following headings:
- a) does not bear proper features that have been incorporated into the ballot paper,
 - b) voting for more candidates than the voter is entitled to,
 - c) writing or mark by which voter could be identified, and
 - d) unmarked or rejected because of uncertainty,
- and, where applicable, each heading must record the number of ballot papers rejected in part.
- FPP44.6 Any text voting record:

- a) on which votes are given for more candidates than the voter is entitled to vote,
- b) on which anything is written or marked by which the voter can be identified except the voter ID number, or
- c) which is unmarked or rejected because of uncertainty,
- d) shall, subject to rules FPP44.7 and FPP44.8, be rejected and not counted.

FPP44.7 Where the voter is entitled to vote for more than one candidate, a text voting record is not to be rejected because of uncertainty in respect of any vote where no uncertainty arises, and that vote is to be counted.

FPP44.8 A text voting record on which a vote is marked:

- a) otherwise than by means of a clear mark,
- b) by more than one mark,

is not to be rejected for such reason (either wholly or in respect of that vote) if an intention that the vote shall be for one or other of the candidates clearly appears, and the way the text voting record is marked does not itself identify the voter and it is not shown that he or she can be identified by it.

FPP44.9 The returning officer is to:

- a) endorse the word “rejected” on any text voting record which under this rule is not to be counted, and
- b) in the case of a text voting record on which any vote is counted under rules FPP44.7 and FPP 44.8, endorse the words “rejected in part” on the text voting record and indicate which vote or votes have been counted.

FPP44.10 The returning officer is to draw up a statement showing the number of rejected text voting records under the following headings:

- a) voting for more candidates than the voter is entitled to,
- b) writing or mark by which voter could be identified, and
- c) unmarked or rejected because of uncertainty,

and, where applicable, each heading must record the number of text voting records rejected in part.

STV45. First stage

STV45.1 The returning officer is to sort the ballot documents into parcels according to the candidates for whom the first preference votes are given.

STV45.2 The returning officer is to then count the number of first preference votes given on ballot documents for each candidate, and is to record those numbers.

- STV45.3 The returning officer is to also ascertain and record the number of valid ballot documents.
- STV46. The quota**
- STV46.1 The returning officer is to divide the number of valid ballot documents by a number exceeding by one the number of members to be elected.
- STV46.2 The result, increased by one, of the division under rule STV46.1 (any fraction being disregarded) shall be the number of votes sufficient to secure the election of a candidate (in these rules referred to as “the quota”).
- STV46.3 At any stage of the count a candidate whose total votes equals or exceeds the quota shall be deemed to be elected, except that any election where there is only one vacancy a candidate shall not be deemed to be elected until the procedure set out in rules STV47.1 to STV47.3 has been complied with.
- STV47. Transfer of votes**
- STV47.1 Where the number of first preference votes for any candidate exceeds the quota, the returning officer is to sort all the ballot documents on which first preference votes are given for that candidate into sub- parcels so that they are grouped:
- a) according to next available preference given on those ballot documents for any continuing candidate, or
 - b) where no such preference is given, as the sub-parcel of non-transferable votes.
- STV47.2 The returning officer is to count the number of ballot documents in each parcel referred to in rule STV47.1.
- STV47.3 The returning officer is, in accordance with this rule and rule STV48, to transfer each subparcel of ballot documents referred to in rule STV47.1(a) to the candidate for whom the next available preference is given on those ballot documents.
- STV47.4 The vote on each ballot document transferred under rule STV47.3 shall be at a value (“the transfer value”) which:
- a) reduces the value of each vote transferred so that the total value of all such votes does not exceed the surplus, and
 - b) is calculated by dividing the surplus of the candidate from whom the votes are being transferred by the total number of the ballot documents on which those votes are given, the calculation being made to two decimal places (ignoring the remainder if any).
- STV47.5 Where at the end of any stage of the count involving the transfer of ballot documents, the number of votes for any candidate exceeds the quota, the returning officer is to sort the ballot documents in the sub-parcel of transferred votes which was last received by that candidate into separate sub-parcels so that they are grouped:

- a) according to the next available preference given on those ballot documents for any continuing candidate, or
- b) where no such preference is given, as the sub-parcel of non-transferable votes.

STV47.6 The returning officer is, in accordance with this rule and rule STV48, to transfer each subparcel of ballot documents referred to in rule STV47.5(a) to the candidate for whom the next available preference is given on those ballot documents.

STV47.7 The vote on each ballot document transferred under rule STV47.6 shall be at:

- a) a transfer value calculated as set out in rule STV47.4(b), or
 - b) at the value at which that vote was received by the candidate from whom it is now being transferred,
- whichever is the less.

STV47.8 Each transfer of a surplus constitutes a stage in the count.

STV47.9 Subject to rule STV47.10, the returning officer shall proceed to transfer transferable ballot documents until no candidate who is deemed to be elected has a surplus or all the vacancies have been filled.

STV47.10 Transferable ballot documents shall not be liable to be transferred where any surplus or surpluses which, at a particular stage of the count, have not already been transferred, are:

- a) less than the difference between the total vote then credited to the continuing candidate with the lowest recorded vote and the vote of the candidate with the next lowest recorded vote, or
- b) less than the difference between the total votes of the two or more continuing candidates, credited at that stage of the count with the lowest recorded total numbers of votes and the candidate next above such candidates.

STV47.11 This rule does not apply at an election where there is only one vacancy.

STV48. Supplementary provisions on transfer

STV48.1 If, at any stage of the count, two or more candidates have surpluses, the transferable ballot documents of the candidate with the highest surplus shall be transferred first, and if:

- a) The surpluses determined in respect of two or more candidates are equal, the transferable ballot documents of the candidate who had the highest recorded vote at the earliest preceding stage at which they had unequal votes shall be transferred first, and
- b) the votes credited to two or more candidates were equal at all stages of the count, the returning officer shall decide between those candidates by lot, and the transferable ballot documents of the candidate on whom the lot falls shall be transferred first.

STV48.2 The returning officer shall, on each transfer of transferable ballot documents under rule STV47:

- a) record the total value of the votes transferred to each candidate,
- b) add that value to the previous total of votes recorded for each candidate and record the new total,
- c) record as non-transferable votes the difference between the surplus and the total transfer value of the transferred votes and add that difference to the previously recorded total of non-transferable votes, and
- d) compare:
 - (i) the total number of votes then recorded for all of the candidates, together with the total number of non-transferable votes, with
 - (ii) the recorded total of valid first preference votes.

STV48.3 All ballot documents transferred under rule STV47 or STV49 shall be clearly marked, either individually or as a sub-parcel, so as to indicate the transfer value recorded at that time to each vote on that ballot document or, as the case may be, all the ballot documents in that sub-parcel.

STV48.4 Where a ballot document is so marked that it is unclear to the returning officer at any stage of the count under rule STV47 or STV49 for which candidate the next preference is recorded, the returning officer shall treat any vote on that ballot document as a nontransferable vote; and votes on a ballot document shall be so treated where, for example, the names of two or more candidates (whether continuing candidates or not) are so marked that, in the opinion of the returning officer, the same order of preference is indicated or the numerical sequence is broken.

STV49. Exclusion of candidates

STV49.1 If:

- a) all transferable ballot documents which under the provisions of rule STV47 (including that rule as applied by rule STV49.11) and this rule are required to be transferred, have been transferred, and
- b) subject to rule STV50, one or more vacancies remain to be filled,
 - i. the returning officer shall exclude from the election at that stage the candidate with the then lowest vote (or, where rule STV49.12 applies, the candidates with the then lowest votes).

STV49.2 The returning officer shall sort all the ballot documents on which first preference votes are given for the candidate or candidates excluded under rule STV49.1 into two subparcels so that they are grouped as:

- a) ballot documents on which a next available preference is given, and
- b) ballot documents on which no such preference is given (thereby including ballot documents on which preferences are given only for candidates who are deemed to be elected or are excluded).

- STV49.3 The returning officer shall, in accordance with this rule and rule STV48, transfer each subparcel of ballot documents referred to in rule STV49.2 to the candidate for whom the next available preference is given on those ballot documents.
- STV49.4 The exclusion of a candidate or of two or more candidates together, constitutes a further stage of the count.
- STV49.5 If, subject to rule STV50, one or more vacancies still remain to be filled, the returning officer shall then sort the transferable ballot documents, if any, which had been transferred to any candidate excluded under rule STV49.1 into sub- parcels according to their transfer value.
- STV49.6 The returning officer shall transfer those ballot documents in the sub-parcel of transferable ballot documents with the highest transfer value to the continuing candidates in accordance with the next available preferences given on those ballot documents (thereby passing over candidates who are deemed to be elected or are excluded).
- STV49.7 The vote on each transferable ballot document transferred under rule STV49.6 shall be at the value at which that vote was received by the candidate excluded under rule STV49.1.
- STV49.8 Any ballot documents on which no next available preferences have been expressed shall be set aside as non-transferable votes.
- STV49.9 After the returning officer has completed the transfer of the ballot documents in the subparcel of ballot documents with the highest transfer value he or she shall proceed to transfer in the same way the sub-parcel of ballot documents with the next highest value and so on until he has dealt with each sub-parcel of a candidate excluded under rule STV49.1
- STV49.10 The returning officer shall after each stage of the count completed under this rule:
- a) record:
 - (i) the total value of votes, or
 - (ii) the total transfer value of votes transferred to each candidate,
 - b) add that total to the previous total of votes recorded for each candidate and record the new total,
 - c) record the value of non-transferable votes and add that value to the previous nontransferable votes total, and
 - d) compare:
 - (i) the total number of votes then recorded for each candidate together with the total number of non-transferable votes, with
 - (ii) the recorded total of valid first preference votes.
- STV49.11 If after a transfer of votes under any provision of this rule, a candidate has a surplus, that surplus shall be dealt with in accordance with rules STV47.5 to STV47.10 and rule STV48.
- STV49.12 Where the total of the votes of the two or more lowest candidates, together with any surpluses not transferred, is less than the number of votes credited to the next lowest

candidate, the returning officer shall in one operation exclude such two or more candidates.

STV49.13 If when a candidate has to be excluded under this rule, two or more candidates each have the same number of votes and are lowest:

- a) regard shall be had to the total number of votes credited to those candidates at the earliest stage of the count at which they had an unequal number of votes and the candidate with the lowest number of votes at that stage shall be excluded, and
- b) where the number of votes credited to those candidates was equal at all stages, the returning officer shall decide between the candidates by lot and the candidate on whom the lot falls shall be excluded.

STV50. Filling of last vacancies

STV50.1 Where the number of continuing candidates is equal to the number of vacancies remaining unfilled the continuing candidates shall thereupon be deemed to be elected.

STV50.2 Where only one vacancy remains unfilled and the votes of any one continuing candidate are equal to or greater than the total of votes credited to other continuing candidates together with any surplus not transferred, the candidate shall thereupon be deemed to be elected.

STV50.3 Where the last vacancies can be filled under this rule, no further transfer of votes shall be made.

STV51. Order of election of candidates

STV51.1 The order in which candidates whose votes equal or exceed the quota are deemed to be elected shall be the order in which their respective surpluses were transferred, or would have been transferred but for rule STV47.10.

STV51.2 A candidate credited with a number of votes equal to, and not greater than, the quota shall, for the purposes of this rule, be regarded as having had the smallest surplus at the stage of the count at which he obtained the quota.

STV51.3 Where the surpluses of two or more candidates are equal and are not required to be transferred, regard shall be had to the total number of votes credited to such candidates at the earliest stage of the count at which they had an unequal number of votes and the surplus of the candidate who had the greatest number of votes at that stage shall be deemed to be the largest.

STV51.4 Where the number of votes credited to two or more candidates were equal at all stages of the count, the returning officer shall decide between them by lot and the candidate on whom the lot falls shall be deemed to have been elected first.

FPP51. Equality of votes

- FPP51.1 Where, after the counting of votes is completed, an equality of votes is found to exist between any candidates and the addition of a vote would entitle any of those candidates to be declared elected, the returning officer is to decide between those candidates by a lot, and proceed as if the candidate on whom the lot falls had received an additional vote.

FPP52. Declaration of result for contested elections

- FPP52.1 In a contested election, when the result of the poll has been ascertained, the returning officer is to:

If a quorum is then not available for the discussion and/or the passing of a resolution on any matter, that matter may not be discussed further or voted upon at that meeting. Such a position shall be recorded in the minutes of the meeting. The meeting must then proceed to the next business.

- 3.11.3 Subject to Standing Order 3.11.2 above, if the Council of Governors is quorate at the start of a meeting in accordance with Standing Order 3.11.1 above, the Council of Governors shall be regarded as quorate for the duration of the meeting and shall be able to transact business accordingly, even if governors subsequently leave the meeting.
- 3.11.4 The Council of Governors may agree that governors can participate in its meeting by telephone, video or computer link. Participation in a meeting in this manner shall be deemed to constitute presence in person at the meeting.

9.1.2 Failing resolution under Standing Order 9.1.1 above then the Board of Directors or the Council of Governors, as appropriate, shall at its next formal meeting approve the precise wording of a disputes statement setting out clearly and concisely the issue or issues giving rise to the dispute.

9.1.3 The Chair or Vice Chair (if the dispute involves the Chair) shall ensure that the disputes statement produced in accordance with Standing Order 9.1.2 above, without amendment or abbreviation in any way, shall be an agenda item and agenda paper at the next formal meeting of the Board of Directors or Council of Governors as appropriate (i.e. the body that does not issue the disputes statement). That meeting shall agree the precise wording of a response to the disputes statement.

9.1.4 The Chair or Vice Chair (if the dispute involves the Chair) shall immediately or as soon as is practical, communicate the outcome to the other party and deliver the written response to the disputes statement. If the matter remains unresolved or only partially resolved then the procedure outlined in Standing Order 9.1.1 above shall be repeated.

9.1.5 If, in the opinion of the Chair or Vice Chair (if the dispute involves the Chair), and following the further discussions prescribed in Standing Order 9.1.1, there is no further prospect of a full resolution or, if at any stage in the whole process, in the opinion of the Chair or Vice Chair (as the case may be), there is no prospect of a resolution (partial or otherwise) then he/she shall appoint a special committee comprising equal numbers of directors and governors to consider the circumstances and to make recommendations to the Council of Governors and the Board of Directors with a view to resolving the dispute.

If a quorum is then not available for the discussion and/or the passing of a resolution on any matter, that matter may not be discussed further or voted upon at that meeting. Such a position shall be recorded in the minutes of the meeting. The meeting must then proceed to the next business. The requirement at 4.15.1 for at least two executive directors to form part of the quorum shall not apply where the executive directors are excluded from a meeting, or part of a meeting; for example when the Board considers the recommendations of the remuneration committee.

4.16 Admission of public to board meetings

- 4.16.1 The Board may resolve to exclude members of the public from any meeting or part of a meeting on the grounds that:
